Children between the ages of 2 and 6 can be registered for the childcare programme.

#### Catering for the children

There is no catering in the childcare programme. We ask parents to bring their children drinks and appropriate drinks containers that the children are familiar with.

#### Declaration of consent

We agree that pictures and film recordings of our child may be made in the course of childcare and that these recordings may be used free of charge in electronic and print media to document the childcare programme without naming the child.
